

Pray for Peace

Throughout our world we see a need for Peace. In our personal lives we need Peace. To merge ourselves with Peace we initiate the vibrations of the Rays of Light of Peace to be utilized by Mass Consciousness.

Called to pray for Peace for the World from the Divine Feminine, I have created the use of the Sacred Power of Nine. The power of Service, Healing and Wholeness. May you join me and hundreds of others who are now Living this prayer daily.

Love, Light and Blessings,

Rev. Katherine Bell

Nine Days of Prayer

Let us work in the Oneness and Proclaim Peace! Share this with others and let us build a world of Peace. Out of Peace comes Harmony, out of Harmony Love increases. May there be Peace, Harmony and Love throughout our Wondrous Earth—the Creation of Source.

Day 1: Begin with this Prayer:

Divine Creator we are infused with confidence in Your all-powerful and never-failing creation. Your Divine Intelligence and Divine Compassion manifests through all, especially when we ask. With this knowing, and from the center of our heart of union, we ask of your creative powers to manifest through the world. I know they come into earthly existence because they are beneficial to our earthly soul-evolution, and all for whom we pray in this human living of existence. (Let us go to the feeling of Devotion and sacredness as you continue with your prayer.)

It is our desire to call forth the beauty, power and Love of Peace throughout our Earth – We allow our inner selves to relax into the flow of Divine Intelligence and Divine Compassion. We feel the Holy Spirit listening and responding to us. We hold our emotional selves in check, releasing only positive knowing that Peace Prevails. We expect nothing, yet know all is unfolding as we live in pure faith that our petition exposes a positive outcome that we fully feel intuitively.

Spend time in meditation, seeing and feeling the pure essence of peace before saying:

Divine Creator, through this petition from our hearts to your heart, we live in pure faith that you have already created the most beautiful and positive outcome. We look to heaven and honor the manifest on earth. Thank you! We are forever grateful for Divine Miracles.
